

# Fixing Mistakes in Brioche Stitch Homework

If you have any brioche projects with mistakes or examples please bring them to class. If you want to share close up images of a mistake in class, please send images to XandyPeters@gmail.com at least 24 hours ahead with the subject "Brioche Mistake Class". Include the date of the class and the venue in the e-mail.

Please cast on and work the swatch instructions below before class. Leave in any mistakes that you make along the way. If you do not have mistakes in the swatch, that's ok, it can still be used for practice in class.

## Prepare to cast on

You will need:

Worsted weight yarn in 2 colors.

Size 6-8 (4-5mm) circular needles or 2 double pointed needles

**Note:** Brioche is usually worked with a slightly smaller size needle than the size recommended on the ball band. keep this in mind if using a different weight yarn.

## Charted Pattern

In DC cast on 19 sts with long tail cast on.

Turn over so long end of DC extends to the right of the piece.

Work the **Chart below**, repeating rows 3-4 another 14 times or until you feel comfortable with the stitch pattern.

## Written Pattern

In DC, cast on 19 sts using the long tail cast on. Turn work over so long end of DC extends to the right of the piece.

## Stitch Key

**K** - Knit

**P** - Purl

**sl1** - Slip 1 stitch.

**YO** - Yarn Over

**dyif/b** - Drop yarn in front/back

**brK** - Knit the slipped stitch from the previous row together with its YO.

**brP** - Purl the slipped stitch from the previous row together with its YO

**sl1YO** - Slip 1 stitch while wrapping yarn over needle creating a tucked stitch on top of slipped stitch from the previous rnd. Both loops of the stitch are worked together in the next rnd. It is worked differently in knit and purl rows:

**sl1YO knit row:** Bring yarn under needle to front of work, slip next stitch purlwise, then bring yarn over top of needle and back into position to knit the next stitch.

**sl1YO purl row:** With working yarn in front, slip next stitch purlwise, bring yarn over the needle and slipped stitch, then under the needle and to front of work ready to purl the next stitch.
